

○ SOSTAC (MAEV)

Digital media strategy

MAEV is a lifestyle clothing brand focused on minimal design, everyday comfort, and quiet individuality for the modern urban consumer

BY: Amr Hazem

Situation Analysis

○ WHERE ARE WE?

Here are active users on major platforms in Egypt :

- Instagram: ~21.7 million users.
- TikTok (18+): ~48.8 million users.
- YouTube: ~49.3 million users.
- Snapchat: ~20.6 million users.
- LinkedIn: ~15.0 million users.
- Messenger (Meta): ~37.0 million users.

TikTok and YouTube have especially high reach among adults in Egypt

Is the market growing or declining?

- E-commerce in Egypt is growing strongly.
- Online shoppers increased from approximately 4% in 2020 to around 15% in 2025, showing rapid digital adoption.
- The Egyptian e-commerce market reached approximately USD 11.5 billion in 2026 and is projected to grow to around USD 20 billion by 2031, driven by strong annual growth.
- Consumers are increasingly shifting toward online purchasing due to convenience, mobile usage, and digital payment adoption.

Conclusion:

The Egyptian e-commerce market is on a consistent upward growth trajectory with increasing online sales year over year.

fashion Market Size in Egypt

- The Egyptian fashion sector (apparel, leather goods, footwear) generated more than USD 4 billion in 2024.
- The broader textiles and apparel market was valued at approximately USD 23.5 billion in 2024 and is expected to reach around USD 36.9 billion by 2033, with an estimated 5%+ annual growth rate.

Conclusion:

This confirms that apparel represents a large and stable consumer market in Egypt.

Situation Analysis

Market Attractiveness _ Should We Enter?

Positive Indicators :

- Strong and sustained growth in e-commerce.
- Increasing number of online shoppers.
- Apparel is a high-demand category.
- Young consumers (18–35) actively adopt online purchasing.

Key Challenges :

- High competition from large platforms and local brands.
- Price sensitivity and strong value expectations.
- Logistics and delivery reliability.
- Cash-on-delivery still dominates many transactions.
- the increase of the fear of online shopping
- The Lack of trust in the local brands

COMPETITIVE ANALYSIS

due to the non social presence for our brand
we will do a compittive analysis and understand the market and the consumer more

STRENGTHS

- Clear return and refund policy
- CRM system from day one
- Agile and flexible startup structure

WEAKNESSES

- No physical presence (online-only)
- Low brand awareness (new brand)
- Limited operational experience at scale

OPPORTUNITIES

- Opening a physical store
- Participation in major events and exhibitions
- Influencer and UGC collaborations

THREATS

- Highly competitive market
- Rising digital advertising costs

WHAT DO YOU WANT TO ACHIEVE?

Engagement

Achieve a minimum engagement rate of 3–5% during the first 3 months

Presence & Setup

Build a consistent and professional social media presence within the first month.

Brand awareness

Reach the first 300–500 real followers within the first 2–3 months.

Content Testing & Learning

Test different content styles over the first 60–90 days to understand what the audience responds to best.

Know Your Audience

UNDERSTANDING YOUR TARGET MARKET

Our Target Market Overview

- Two main audience segments identified.
- Urban, digitally active males in Egypt.
- Strong opportunity in lifestyle-driven short-form content.

STRATEGY

Young urban males (18–24) are highly driven by trends, social influence, and visual inspiration
They seek affordable ways to improve their image and express their identity, but have short attention spans and low patience for complex content

Value	Segment 1
Segment Name	Young Starters
Priority	High
Channel Focus	Facebook Instagram TikTok
Age Range	18–24
Gender	Male
Income Level	Medium
Job Type	Student Entry-level Employee
Country	Egypt
City	Cairo Damietta Alexandria etc
Urban / Rural	Urban
Lifestyle	Active Social Fast-paced
Values	Value-conscious Style-aware
Platform Usage	Heavy daily browsing, short-form content
Buyer Journey Stage	Awareness
Interests	Fast content, trends, lifestyle inspiration
Personality Traits	Social Curious
Aspiration	Improve lifestyle and self-image
Purchase Frequency	Occasional – Experimental
Brand Loyalty	
Content Preference	Reels Carousels
Main Pain Points	Short attention span, low patience for long content
Needs	Quick inspiration and easy decision-making
Triggers	Trends, social occasions, and peer influence

STRATEGIC IMPLICATION:

- Focus on short, visually engaging content (Reels, carousels)
- Highlight style, confidence, and smart value rather than technical details
- Use social proof, trends, and lifestyle visuals to trigger engagement

STRATEGY

Urban males (25–34) are practical, time-conscious, and value efficiency. They seek clear value, convenience, and reliable quality, and prefer content that helps them make fast and confident decisions without unnecessary effort.

Value	Segment 2
Segment Name	The Adultish
Priority	High
Channel Focus	Facebook Instagram TikTok
Age Range	25–34
Gender	Male
Income Level	Upper Medium
Job Type	Freelancer Employee
Country	Egypt
City	Damietta Port Said Mansoura Cairo Alexandria etc
Urban / Rural	Urban
Lifestyle	Practical Urban Time-conscious
Values	Value-driven Convenience-focused Quality-aware
Platform Usage	Regular browsing, purposeful usage
Buyer Journey Stage	Awareness
Interests	Productivity, smart shopping, lifestyle efficiency, problem-solving content
Personality Traits	Practical Goal-oriented
Aspiration	Maintain a comfortable lifestyle while optimizing time and expenses
Purchase Frequency	Occasional – Need-based
Brand Loyalty	
Content Preference	Reels Short videos
Main Pain Points	Limited time, unclear pricing, complicated buying or return processes
Needs	Clear information, fast decision-making, reliable service
Triggers	Time pressure, practical needs, strong reviews, clear offers

STRATEGIC IMPLICATION

- Provide clear, informative, and benefit-driven content
- Highlight price clarity, reliability, and convenience
- Use short videos with direct messaging and proof points
- Reduce friction in communication and decision-making (simple CTAs, clarity)

User Persona

Persona #001

Mohammed Sammy

Mohammed is driven by self-expression, confidence, and social image

He wants to look unique and smart, but hesitates to experiment due to fear of poor quality and limited budget

He relies heavily on social proof, influencers, and visual inspiration before making decisions

He engages emotionally with content and prefers lifestyle-driven visuals over technical details

Mohammed Samy

Age

23 y.o.

Gender

Male

Occupation

Freelancer

Location

Cairo

Personality

Goals & Motivation

- Relies heavily on social proof, reviews, and visual evidence
- Looks for brands that clearly communicate value, quality , and safety (returns/refunds)

Motivation

Pain Points (Problem)

- Fear of poor quality and misleading brand images
- Past bad experiences with brands that looked premium but delivered low quality

PERSONA

Mohammed is driven by self-expression, confidence, and social image ,wants to look unique and smart, but hesitates to experiment due to fear of poor quality and limited budget ,relies heavily on social proof, influencers, and visual inspiration before making decisions ,and engages emotionally with content and prefers lifestyle-driven visuals over technical details

Values	Persona 1
Persona Name	mohammed
Age	18–24
Gender	Male
Job / Role	Freelancer
Life Stage	Early career
Income Level	Medium
Personality Traits	Practical Social Emotional
Core Values	Identity Style Social Proof Smart Value
Fears	fear of bad quality and since mohammed is a medil class he always consider save options first and fears of experiement so he needs some one to guid him
Aspirations	cares for his image and his look wanna be unique and special
Self Image	he wants to be seen as smart and sucssfull
Main Problems	he cant trust brands easy so he waits untill someone try it first also his work takes too much of his energy so he just wants speed and comfy brands
Daily Frustrations	Can't find affordable brands that still look premium Afraid of wasting money on low-quality products
Objections	the quality and the price
Past Bad Experiences	Bought trendy items that faded or broke quickly Misleading photos vs real product quality
Buying Motivation	Self-expression Confidence Standing out
Emotional Triggers	Confidence & Belonging
Rational Triggers	return policy
Awareness Trigger	Sees friends or influencers wearing something unique Notices strong visual content on social media
Buyer Journey Stage	Awareness
Decision Style	Emotion-first, social proof
Purchase Frequency	Occasional
Platforms Used	Facebook Instagram TikTok
Platform Purpose	Follows creators, saves outfits, shares inspiration with friends.
Content Preference	Stories Entertainment
Interaction Style	Likes
Trust Signals	influencers or good reviews
Best Message	Look different. Feel confident. Trusted by people like you.
Words To Use	Unique Clean Smart choice Worth it Trusted
Words To Avoid	Cheap Discount-only Complicated Technical
Best CTA	Discover your style
Content Angle	Outfit inspiration Before / After Real customer photos Styling tips Visual lifestyle

Strategic Implication

- Use strong visual storytelling (outfits, transformations, lifestyle moments)
- Highlight social proof, reviews, and influencer validation
- Keep messaging aspirational but affordable (smart value, worth it)
- Focus on confidence, identity, and belonging rather than price alone
- CTA should invite exploration, not pressure: Discover your style

Persona #002

Ahmed Tarek

Ahmed is practical, time-conscious, and focused on efficiency

He wants clear value, reliable quality, and minimal risk. He avoids unnecessary browsing and relies on comparisons, reviews, and rational proof before purchasing

He prefers fast, informative content that helps him make confident decisions quickly

Ahmed Tarek

Personal Profile

- Age : 28 y.o.
- Gender : Male
- Location : Cairo

Goals & Motivation

wants clear value, reliable quality, and minimal risk.
prefers fast, informative content that helps him make confident decisions quickly

Pain Points (Problem)

Gets frustrated by unclear pricing, slow delivery, complicated returns, and anything that wastes time or creates uncertainty

Personality

Introvert

Thinking

Sensing

Judging

Motivation

PERSONA

Ahmed is practical, time-conscious, and focused on efficiency ,wants clear value, reliable quality, and minimal risk. He avoids unnecessary browsing and relies on comparisons, reviews, and rational proof before purchasing, and prefers fast, informative content that helps him make confident decisions quickly

Values	Persona 2
Persona Name	ahmed
Age	25–34
Gender	Male
Job / Role	Employee
Life Stage	Single Career growth
Income Level	Medium High
Personality Traits	Practical
Core Values	Efficiency Reliability Price Clarity Speed
Fears	quality
Aspirations	acceptable and feels comfy
Self Image	practical and efficent
Main Problems	quakity and price also trust
Daily Frustrations	Doesn't want to waste time searching and comparing too much Annoyed by unclear pricing and hidden costs
Objections	the quality and the price
Past Bad Experiences	Delayed delivery Hard return process
Buying Motivation	Saving time Reducing risk Getting the job done
Emotional Triggers	Relief & Control
Rational Triggers	return and refund and also price
Awareness Trigger	Searching for reviews or comparisons Needs something quickly for work or daily use
Buyer Journey Stage	Awareness
Decision Style	Logic-first, comparison
Purchase Frequency	Frequent
Platforms Used	Facebook Instagram TikTok
Platform Purpose	Searches reviews, watches comparison videos, checks comments before buying.
Content Preference	Reviews Short videos Educational
Interaction Style	Silent viewer Likes
Trust Signals	influencers or good reviews
Best Message	Good quality. Fair price. No hassle.
Words To Use	Fast Easy Reliable Clear Guaranteed
Words To Avoid	Luxury Trendy Emotional language Vague promises
Best CTA	Contact Us View details
Content Angle	Product reviews Comparisons How-to videos Clear benefits Informational proof

- Strategic Implication
- Provide clear, structured information (price clarity, benefits, guarantees)
 - Highlight speed, reliability, and ease of process
 - Use reviews, comparisons, and how-it-works content
 - Reduce friction in the journey (simple CTAs, fast responses)
 - CTA should be action-oriented:
View details | Check price

TACTICS

TACTICS

- Publish 5 posts per week for 4 weeks using different content formats (Reels, carousels, lifestyle visuals, educational posts, promotional content) and analyze engagement performance to identify the best-performing formats for optimization
- Publish daily stories for one month using different formats (polls, questions, behind-the-scenes) to increase engagement rate by at least 1%
- Launch one awareness-focused paid ad per month for 3 months to increase brand visibility and attract relevant followers aligned with the target personas

ACTIONS

Publishing posts Actions

- Hire a designer and provide clear brand guidelines and content concepts to produce weekly design assets for posts.
- Create a monthly content calendar defining posting frequency, content types, formats, and publishing schedule.
- Assign a content creator skilled in CapCut to produce multiple reel variations per week using different styles and storytelling approaches.
- Track weekly performance metrics (reach, saves, engagement) and document learnings for optimization.

Ad publishing Actions

- Hire a media buyer to plan and execute monthly awareness campaigns, define target audiences based on personas, and manage a minimum monthly budget of \$20
- Set up the brand's ad account and campaign structure to enable learning, optimization, and scalable growth for future stages.

Publishing Stories Actions

- Repurpose daily posts into stories automatically or manually.
- Add simple interactive stickers when possible (polls, reactions, questions)
- Monitor story views and replies weekly.
